REV. SEC. 15 NOV 1922

Sir,

I have the honor to forward herewith for the information of Government, a copy of my letter addressed to the Muzrai Commissioner to day requesting him to obtain the sanction of Government for the deputation of Messrs. Malali Venkatramaiya and Thimmappaiya to help the taluk authorities in the conduct of the ensuing Barahazar Santarpane at Subramanya.

Sir,

Adverting to para 5 of Government Order [illegible] dated the 22nd instant directing that it is not necessary to depute any non-official gentleman to Sravanabelgola to help the local authorities in the conduct of the ensuing Jaratahazar Mahotsavam, I have the honor to state that the two non-official members who had rendered valuable assistance for successfully carrying out the function in the last 2 years and especially during the last year when the manager of the temple tried to create all difficulties to obstruct our work are reported to be feeling that they are lowered in the estimation of the public by reason of the order passed. It is now desirable to damp the enthusiasm of the non-officials and discourage their co-operation by giving room to such a feeling. The Amildar of Channarayapatna taluk reports that Messrs. Balaji Somanthramaiya and Rama Rao have already intimated to Amildar in this year's function under these circumstances their services would be regarded as a matter of course and that any remuneration that may be made by them to priests to Subramanya and advances given to Archakas are to be surrendered. As already reported in my letter No. [illegible]/C.C. dated the 7th instant there is an apprehension that the manager of the temple might interfere with the same Jaratahazar arrangements this year also in order to bring discredit on the officers of the Government and I think that

that the co-operation of

is very necessary. Mr. T.E. Jayarama Iyer has commended in his notes of inspection that the two gent referred to above may be continued as non-official members a further period of 3 years. I request you therefore to move Government in the matter and obtain their sanction for util the services of the non-official gentlemen this year also. As already stated, they will not be given any thing more than the cart-hire to Subramanya and back from Saklespur and every endeavour will be made to meet this cost out of the sanctioned allotment of Rs. 3950/-.

In favour of

2. I solicit immediate orders in the matter.

Dear Sir,

With reference to para 3 of Government Order No. 1691-2/M.F.213-22-10 dated 9th November 1922, directing that it is not necessary to depute any non-official gentlemen to Subrahmanya, to help the Taluk authorities in the conduct of the Sartarpane, I submit herewith for the perusal of Government, the marginally noted communications in the matter. I have informed the Deputy Commissioner that what was objected to and was considered unnecessary by Government was the taking of non-officials to Subramanya at Government expenses to help in supervising the sartarpane arrangements but that there is no objection whatever to the services of non-official gentlemen of status and position who are devotees of the Sri Subramanyaswami and who wish to offer their honorary services to us being available by us for helping in the supervision of the Sartarpane arrangements, provided that no payment is claimed on their behalf on

Letter No.C.415/22-23 dated 14th November 1922, from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore:--

"Adverting to para 3 of Government Order No.1691-2/Muz.213-22-10 dated the 9th instant stating that it is not necessary to deputy any non-official gentlemen to Subrahmanya to help the Taluk authorities in the conduct of the ensuing Varahazar Santarpane, I have the honor to state that the two non-official members who had rendered valuable assistance for successfully carrying out the function in the past 2 years and especially during the last year when the Manager of the temple -- tried to create some difficulties to obstruct our work, are reported to be feeling that they are lowered in the estimation of the Public by reason of the order passed. It is not desirable to damp the enthusiasm of the non-officials and discourage their co-operation by giving room to such a feeling. The Amildar of Manjarabad Taluk reports that Messrs. Malali Venkatramaiya and Thimmappaiya have already interested themselves in this year's function under the impression that their services would be requisitioned as in previous years and I understand that arrangements have been made by them to start to Subrahmanya and advances given to cartmen for the purpose. As already reported in my letter No.415-22/ C.C. dated the 7th instant, there is an apprehension that the Manager of the temple might interfere with the santarpane arrangements this year also in order to bring discredit on the officers of Mysore Government and I think that the co-operation of the above non-official gentlemen is very necessary. Mr. T.S. Jayarama Aiyar has also recommended in his notes of inspection that the two gentlemen referred to above may be continued as non-official members for a further period of 3 years. I request you therefore to move Government in the matter and obtain their sanction for utilising the services of the non-official gentlemen this year also. As already stated, they will not be given any thing more than the cart-hire to Subrahmanya and back from Sakleshpur and every -- endeavour will be made to meet this cost out of the sanctioned allotment of Rs.3,950/-.

of D.O.No.317 dated 14th November 1922, to the Deputy Commissioner, Hassan District:-

---

"Adverting to Government Order No.1691-2/Muz.213-22-10 dated 9th November 1922 (copy of which has already been sent to you), Mr. Malali Venkataramaiya saw me ~~to~~ to-day and represented that he had made all arrangements to go to Subrahmanya as usual, but that as in the meanwhile he was informed of the Government Order above referred to in which it was stated that the deputation of non-official gentlemen to be present at the Santarpane was unnecessary, he stopped the journey and came to Bangalore to make a representation to me about it. He stated that neither he nor Mr. Thimmappaiva (the other non-official gentlemen who was to accompany him to Subrahmanya) cared for payment of their cart-hire to the place, that in the previous years it was practically forced on him though he did not ask for it and even declined it, and that even now both he as well as Mr.Thimmappaiva are quite prepared to help the Government authorities in supervising the Santarpane as a labour of love and as a service to their family deity, without claiming any remuneration for themselves towards cart-hire or in any other way.

2. The object of the Government in sanctioning sanction for the deputation of non-officials to help the conduct of the Santarpane was that it should not be left to the Taluk authorities to take with them anybody they liked to Subramanya for this purpose at Government expense. But there can be no objection whatever to non-official gentlemen of status and position who are devotees of the Sri Subrahmanyaswamy and who wish to offer their honorary services to us being used by us for helping us in the supervision of the Santarpane arrangements. On the other hand the services of such gentlemen should be quite welcome and will no doubt be appreciated by Government. I have informed Mr. Venkataramaiva accordingly, and I am communicating this to you as as to remove any misconception regarding the scope and object of the Government Order and to inform you that there can be no objection whatever to your availing yourself of the help of gentlemen of position and influence like Mr. Venkataramaiva in the supervision of the Santarpane arrangement, provided that no charge is made on account of cart-hire or other remuneration to them in the bill for santarpane expenses sent up to Government."
